

TA Evaluation\* for Esma Ozer: ECON 471 (Growth and Development)

**TA EXPERIENCE: What were the TA's strenghts?**

Easily accessible. Nice to talk to

N/A

More clarity on certain topics and varied teaching methods could further enhance the learning experience.

My TA is awesome! Always clarifies confusing stuff, keeps us engaged, and provides super helpful support. Total lifesaver in this course!

best

The office hours were easily accessible, at easy to manage times during the day and was very helpful working through any questions.

TA is thoughtful and sympathize to students.

Easily accessible

Good at explaining concepts

Have office hours closer to campus

*\* The survey was conducted by the TA after the semester ended. The total number of people who took this course was 70.*
